

Thank you for attending the FSAA-PT Train-the-Trainer meeting last month in Tampa. As discussed at the meeting, Measured Progress will provide training resources for trainers and/or Alternate Assessment Coordinators to use during district FSAA-PT trainings for the 2016-2017 school year.

Currently available on the FSAA-Performance Task Portal: <https://fsaa-training.onlinehelp.measuredprogress.org/>

<i>Train-the-Trainer PowerPoint Presentation (PDF)</i>	This PowerPoint presentation (PDF) is from the July 2016 Train-the-Trainer workshops. As a general reminder, this information is geared toward Alternate Assessment Coordinators and FDLRS Representatives/District Trainers. A PowerPoint presentation geared toward teachers will be available shortly.
<i>16-17 FSAA-PT Training PowerPoint</i>	This PowerPoint is intended to be used by ACCs/trainers for face-to-face trainings with teachers. Please modify to suit the needs of your district.
<i>Train-the-Trainer Question and Answer Document</i>	This document is a consolidated list of questions and answers from the FSAA-PT Train-the-Trainer workshops held July 19 th and 20 th , 2016.
<i>16-17 Administration Manual</i>	The 16-17 Administration Manual is available on the FSAA Portal in a PDF format. Printed versions will arrive in districts by late October.
<i>2017 FSAA-PT Assessment Blueprints</i>	Assessment Blueprints for the 2017 FSAA-PT are organized by grade level and are now available on the FSAA portal.

As a reminder, the following training resources will be provided in the timeframes as indicated below:

Late September	Late October	Early-Mid February
Administration Training Resources (e.g., training activities, PPT, agendas, preparation checklists) Practice Tests (PDF versions)	Administration Training Modules 16-17 Administration Manual and Practice Tests (printed to districts)	FSAA Online System Module and Online System User Guides
