

Assessment View System (AVS) 2016-2017 Announcements: System Release and Training Modules

Dear Alternate Assessment Coordinator,

On behalf of the Florida Department of Education and Measured Progress, we are pleased to announce the opening of the Assessment View System (AVS) for the 2016-17 FSAA Datafolio administration.

Highlighted Dates for the FSAA—Datafolio

- October 24, 2016: The Assessment View System (AVS) opens for registration and use.
- As a result of the recent hurricane that impacted many districts, the Collection Period 1 deadlines have been extended for one week. The new dates are reflected below.
 - October 28, 2016: Collection Period #1 concludes
 - November 10, 2016: Deadline to submit Collection Period #1 evidence files and set goals to be achieved by Collection Period #3.

Responsibilities: October 24th – November 4th:

- Alternate Assessment Coordinators (AACs) *may* choose to create district designees or School Level Coordinator (SLC) accounts.
- The AAC or designated SLC must:
 - Create Teacher Accounts (using Teacher Certification Numbers)
 - Create Student Accounts
 - Assign Students to appropriate Teachers
 - Communicate Login Availability/Credentials to Teachers

2016–17 FSAA—Datafolio AVS Training Modules

(<https://fsaa-training.onlinehelp.measuredprogress.org/datafolio/>)

It is strongly recommended that all modules, including the Teacher modules, be viewed by SLCs and AACs or District Designees who did not attend the Face to Face training in July and did not participate in the trial administration last year.

- View each set of modules (teacher training modules, AAC modules) in sequential order.
- Teacher training modules should be viewed prior to the AAC modules.
- For optimum performance, please watch the modules using Internet Explorer (IE) or Mozilla Firefox.
