U.S. History Response Booklet

Practice Test
2016–2017
Ybor City, in Florida, was known as the “Cigar Capital of the World” because it had many cigar factories.
radio stores
cigar factories
office buildings
In the late 1800s, over 150 factories opened in Ybor City. The majority of these factories manufactured cigars. Some manufactured other products. As a result of the different types and the number of factories, Ybor City was known as Florida’s first industrial town.
Ybor City

because it was located near water

because it was a place for tourists to visit

because it was a center for manufacturing
The history of Ybor City spans from 1886 to the present. The chart shows how the city has changed over time.

**Ybor City in the Late 1880s to the 1980s**

<table>
<thead>
<tr>
<th>Year</th>
<th>Event</th>
