

2019–20 FSAA—Performance Task System Administrator Survey

Dear Alternate Assessment Coordinator,

Now through May 8, 2020, Alternate Assessment Coordinators (AACs) and School Level Coordinators (SLCs) who accessed and completed tasks within the ART component of the online system for the Spring 2020 Florida Standards Alternate Assessment—Performance Task (FSAA—PT) will have an opportunity to participate in an anonymous online survey and provide valuable feedback related to their experience. Information from these surveys will be used to improve FSAA—PT administration processes, procedures, and trainings. The total time required to complete the survey is approximately 10 minutes.

Please note that those who also administered the assessment and/or utilized the FSAA—PT Online System to input student responses will be asked to participate in a separate survey related to administration as well.

System Administrators can access the FSAA—PT System Administrator Survey by clicking on the following link or by typing the URL into a web browser's address bar: <https://www.research.net/r/1920PTAAC-SLCSurvey>.

Please distribute this message and encourage SLCs who performed tasks within the FSAA—PT Online System to participate in the survey.
