

## 2019–20 FSA—Performance Task Teacher Survey

Dear Alternate Assessment Coordinator,

Now through May 8, 2020, teachers and any other trained district staff who administered the Spring 2020 Florida Standards Alternate Assessment—Performance Task (FSA—PT) and/or used the FSA—PT Online System to input student responses will have the opportunity to participate in an anonymous online survey and provide valuable feedback related to their experience. Information from these surveys will be used to improve FSA—PT administration processes, procedures, and trainings. The total time required to complete the survey is approximately 10 minutes.

Teachers and trained district staff can access the FSA—PT Teacher Survey by clicking on the following link or by typing the URL into a web browser's address bar: <https://www.research.net/r/1920PTTeacherSurvey>.

**Please distribute this message and encourage teachers and any other trained district staff who have administered the FSA—PT to participate in the survey.**
