2020–21 Datafolio Administration Training
July 28–31, 2020

Dear Florida Educator,

The Florida Department of Education, in conjunction with Cognia and Project Access, will host training workshops for teachers whose students will be participating in the Florida Standards Alternate Assessment—Datafolio (FSAA—Datafolio) during the 2020–21 school year. The workshops are scheduled for the week of **July 28–31, 2020**.

Teachers who have students whose individual educational plan (IEP) team has determined that the FSAA—Datafolio is the most appropriate tool to assess growth **are required to attend** annual training before administering the assessment. Teachers who attended training workshops in 2019 and/or administered the FSAA—Datafolio **for the first time** during the 2019–20 administration are also expected to attend this year. Teachers who have attended training for two consecutive years, however, will be allowed to attend a half-day update training workshop to satisfy this requirement.

***Additional information pertaining to schedules, logistics, and workshop offerings is forthcoming.**

If you have any questions, please contact the FSAA Service Center by phone at 866-239-2149 or by e-mail at FSAAServiceCenter@cognia.org.
