This Message originated outside your organization.

Dear Alternate Assessment and District Assessment Coordinators,

FDOE is currently developing a comprehensive plan for districts to return FSAA materials to Piedra Data Services, and to do so without compromising the safety of all staff involved, and without compromising test security. Until the plan is finalized and disseminated early next week, districts should continue to maintain the security of all test materials.

For more information on COVID-19, please visit our emergency response website at <http://www.fldoe.org/em-response/index.stml>.
