

2020–21 FSAA—Performance Task System Administrator Survey

Dear Alternate Assessment Coordinator,

Now through **June 4, 2021**, Alternate Assessment Coordinators (AACs) and School Level Coordinators (SLCs) who accessed and completed tasks within the Administration and Registration Tools (ART) component of the online system for the Spring 2021 Florida Standards Alternate Assessment—Performance Task (FSAA—PT) will have an opportunity to participate in an anonymous online survey and provide valuable feedback related to their experience. Information from this survey will be used to improve FSAA—PT administration processes, procedures, and trainings. The total time required to complete the survey is approximately 10 minutes.

Please note that those who also administered the assessment and/or utilized the FSAA—PT Online System to input student responses will be asked to participate in a separate survey related to administration as well.

System Administrators can access the FSAA—PT System Administrator Survey by clicking on the following link or by typing the URL into a web browser's address bar: <https://www.research.net/r/2021PTAdminSurvey>.
