As the end of the assessment window approaches:

**Alternate Assessment Coordinators (AACs) should be:**

- verifying that all eligible teachers have completed the appropriate training prior to administering the Spring 2021 FSAA—PT and entering student responses into the online system,
- monitoring student progress statuses to ensure that all assessments have been completed and submitted, and
- submitting any student course assessment reset requests of submitted assessments through the ART to **the** FSAA Service Center before the May 28 deadline.

**\*Please remind teachers that waiting until the last minute to input student responses can result in significant lag time in the online system and limits their time to request a reset on submitted assessments.**

**Teachers should be:**

- completing the course assessment submission steps listed below (refer to “*Course Assessments*” in the *FSAA—PT Online System User Guide* for more details) for each of their assigned students.
  - Step 1: Identify Students Not Assessing (Reason Not Assessed)
  - Step 2: Assign a Form Within the ART
  - Step 3: Launching the Form-Based Test
  - Step 4: Submitting Responses (**Remember to attach/include student responses to Writing Prompt 2.**)
  - Step 5: Course Assessment Review
  - Step 6: Test Submission
